

EOD FALL

newsletter

October November December SZN 31

expressionofdance.com

Every 3 months a newsletter will be posted on the studio website and emailed to you. The emails and app notifications you receive are to keep you informed of our important studio news, reminders, and updates. Our website and tv in the lobby are there to remind you too!

In your EOD Class Schedule email was a SEASON 31 Welcome Letter that has our **Calendar of Studio Events & Dates**. Please note and add all of these dates to your calendar.

If dates need to change for any reason, you will be notified.

We plan to send less emails and use the EODStudio app.

Allow for push notifications so you will know when something has been sent.

Please be sure to stay in the know of what your dancer/gymnast needs throughout the season.

Thank you!
