Parent Observation Weeks December 2025

We are thrilled to invite you in to our annual Parent Observation Week!

Each class is scheduled a specific day & time for you to come in and watch the end of your child's class. Students will have a full class at their regular class time this month. Parents will be invited in on the day of their scheduled observation day/time.

Find your child's class and make note of the day/time and studio room so you know where you are going when you arrive. Some classes will be held in a different studio room for POW week and this is listed on the schedule below.

All classes that do not have observation will meet at their regular scheduled class time.

*It is important for you to know your child's class name and teacher. View your parent portal for class information.

**Please note this visitation is for parents only - please do not bring extra guests. Siblings are welcome, but please have them stand quietly while class is in session. Don't forget to bring your camera to capture your special dancer/gymnast!

***The parking lot will be full during this month, so please be cautious as everyone is driving and walking through the parking lot. Thank you!
